With a view to promoting / supporting the conservation / preservation of traditional knowledge by preserving, maintaining and providing access to Indian traditional knowledge systems, in general, and the foundations of Sanatana Dharma, in particular, **Sanatana Sampatti Foundation**® was founded in June 2022.

One of the first principal activities is to develop and maintain a state-of-the-Art portal, **Sanatana.in**, hosting the foundational sources of Sanatana Dharma, thereby sharing this timeless wisdom and making it accessible to everyone. This portal will be developed under the **direct supervision and guidance of Jagadguru Sri Shankaracharya of Dakshinamnaya Sri Sharadapeetham, Sringeri**. The portal will host the following:

the four Vedas (along with recitation of available shaakaas / paathas), along with Vedangas and traditional commentaries - Sayanacharya and Bhatta Bhaskara;
Vedanta sources - Upanishads, Brahmasutras;
Smriti texts - Mahabharata (with Nilakanteeya commentary), Bhagavata (with Sridhariya commentary), Ramayana (with Tilaka commentary), and all Puranas ;
Dharmashastra texts as organised in the magnificent volumes, *History of Dharma Shastra* by Mahamahopadhyaya P. V. Kane.

A glimpse of this can be seen at advaitasharada.sringeri.net and at rigveda.sanatana.in. All text to be in Unicode, multiple points of access to the material in the texts, extensive hyperlinking across and exhaustive search facility.

To help realise this Vision requires enormous resources and we humbly solicit generous support from philanthropists and the general public. Donations to the Foundation qualify for tax deductions under section 80G of the IT act 1961.
